## MISSION STATEMENT:

Lankenau Environmental Science Magnet High School is a community where students can develop their individual potential to become environmentally conscious, productive, and successful in their chosen fields of study and careers *through the lens of environmental science.*

We will accomplish this in a safe and supportive environment through excellence in teaching and learning in partnership with family, community members, and business partners.

## THE RETURN TO 'NORMAL'

- Start preparing the week before for an earlier sleep schedule (*going to bed earlier/getting up earlier*)
- Complete summer assignments & determine school supply needs
- Practice wearing your mask for FULL days while at home (*masks will need to be worn in the fall*)
- Practice your SEPTA route prior to the first day of school

*Don't wait to ask questions!!!!*
